

LingroHub: Student How-To Guide

Commenting on my classmates' projects

The third step of the project is to comment on your classmates' work.

The screenshot shows the LingroHub interface for a project titled "5-Contraseña: Proyecto". The left sidebar has a menu with options: PREPARAR, PUBLICAR, COMENTAR (highlighted with a red arrow), REFLEXIONAR, and PARA CLASE: CONVERSAR. The main content area shows "Objective 8: Write a nomination letter about someone you admire." and a "MODELO" section with a sample nomination letter. Below this is a "Class Projects" section with a search bar and a filter dropdown set to "Unidad 5". A grid of project cards is displayed, with two cards highlighted by a red box. The cards show project titles like "Proyecto 5-1: Mi carta de nominación" and submission dates. A vertical scroll bar on the right side of the page is also indicated by a red arrow.

NOTE: If you have not yet submitted your own project for this unit, you will not be able to see and/or comment on your classmates' projects until you do.

Once you arrive on the **COMENTAR** tab of the project, you will see all your classmates' projects.

You can look for certain people by using the filters right above the projects or you can select projects by clicking on each one.

Use the scroll bar to the right to see all of the projects below.
