

LingroHub: Student How-To Guide

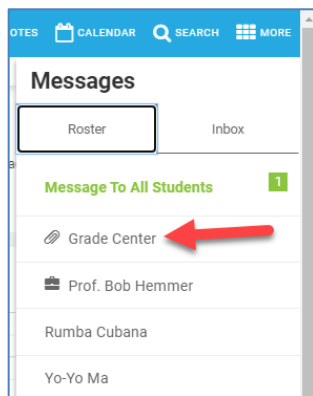

View instructor comments on projects

Option 1

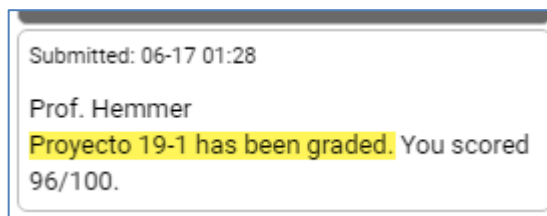

When your instructor has graded one of your projects, you will see a number next to the message icon.

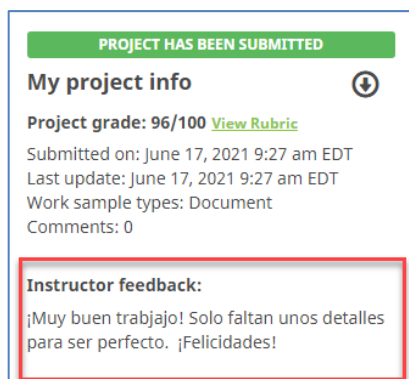

After clicking the message icon, a new panel will open.

Click the **GRADE CENTER**. If you cleared this list the last time you used it, the new message will be at the top. If not, it will be at the bottom.

Click the message to open the activity. This will take you to the LingroFolio Dashboard. Click on the activity. In the My project info box, you will see the Instructor feedback as well as the grade.
