

LingroHub: Student How-To Guide

Before starting a quiz or test

For important activities such as quizzes or tests, particularly if you have been given a time limit, here are some things to check before you begin.

1. Be sure to begin with a fresh browser session. Log out and log back in.
2. Be sure you cache is cleared. Do a hard refresh (this is different than simply clicking the refresh arrow in your browser). Check out this [site](#). Locate your operating system and browser. Follow the instructions.
3. Check to make sure you have a good wifi connection.
4. If you will be required to record your voice, [test](#) your equipment.
5. If you will be required to listen to an audio or video recording, go to Getting Started > Prepping your device > Play Animation/Audio and be sure you can hear the audio or watch the video.
6. Before you click start, review the Activity Information Box, so that you know what the parameters for this quiz/test are.
