

## LingroHub: Student How-To Guide

### At the end of your quiz or test

1. Be sure that you check the Activity Information Box after a quiz or test; you should really do this after any activity but it's doubly important after a quiz or test.

**Due:** Wed Jun 30 2021 11:59 PM EDT  
**Status:** No further attempts

**Activity:** Graded. Answers not shown  
**Time:** 45 mins

**Attempts:** 1 / 1

**Points:** 69\* / 100

2. Make sure you see **SCORE RECORDED**. You should also have points in the points column.
3. The **STATUS** will also tell you how many attempts you have remaining. Very often on tests or quizzes you get one attempt, so the stats will read No further attempts once you have submitted.
4. If you do not see score recorded, reopen the test/quiz and be sure to click **FINISH > OK**.
