

To locate your LingroHub profile, click on **your name** in the bottom of the left navigation menu. Then, click on **Account Settings**.

The first tab in **Account Settings** is called **My Account**. Here you can update your personal information like name, institution, and more. You can also add a **Profile Photo** and an **About Me** section.

NOTE: If you would like to receive LingroHub notifications via email, check the box "I would like to receive notifications via Email".

IMPORTANT: Be sure to click **SAVE** when finished updating information.
