

In the space above any activity in LingroHub, you will see the **Activity Information Box**.

In the Activity Information Box, you will see the following items:

See below for instructor view of the assessment.
Due: Thu Nov 14 2024 10:59 PM MST
Attempts: 0 / 2
Status: Instructor review

1. **Due:** Tells you the day and the time (in your local time zone) when the activity is due.
2. **Attempts:** Tells you how many attempts you have submitted and how many total attempts you are allowed.
3. **Status:** "New attempt" means you are ready to start a new version of the activity. "Resuming attempt" means you are editing answers to an existing attempt.

Activity: Graded. Answers on Submit

Points: 0 / 5

Time: Not timed

4. **Activity:**

- a. Tells you if the activity is marked as "graded" (counts as a grade in the Gradebook) or just "practice" (not counted for a grade).
- b. Tells you when you can see the correct answers. For example, "after the due date" or "on submit."

NOTE: The instructor may still set a due date/time even if it is just "practice".

5. **Points:** Tells you your score* out of the total number of points. (*It will read as 0 points until you attempt the activity.)

6. **Time:** If the activity has a time limit, the total allotted time will be indicated here.

NOTE: A yellow triangle will appear if the due date has passed, that is, you are submitting an activity **late**.

Due: Tue Jul 09 2024 8:00 AM CDT

Attempts: 0 / unlimited

If you have multiple attempts and you wish to complete the activity again, simply click on the **activity name** in the left tabs. The activity will reset and you can start another attempt.
