

STUDENT SUPPORT RESOURCES STUDENT DASHBOARD

Your LingroHub home screen will always be your **Dashboard** where you can easily access all you need for your course.

In the Student Dashboard you will see three sections: **Assignments**, **Overview**, and **Course Content**. The following tutorial will describe the functions of all three.

ASSIGNMENTS

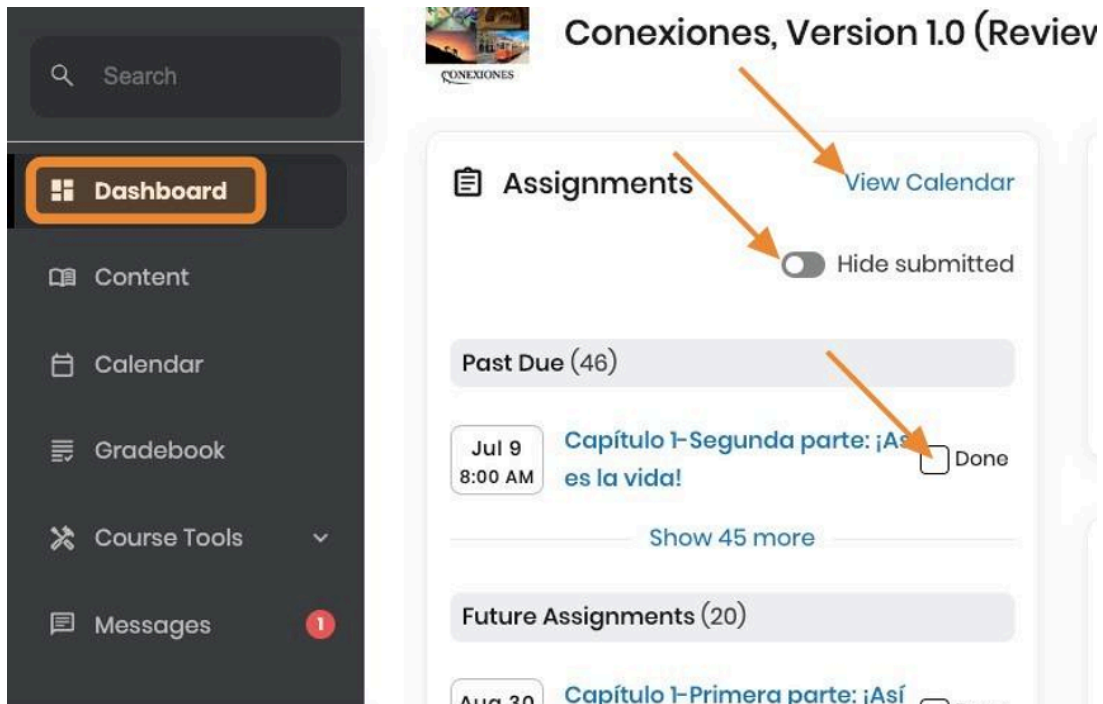

In **Assignments** you will see a list of upcoming assignments (Future Assignments) and any assignments that are late (Past Due).

A screenshot of the LingroHub interface. On the left is a dark sidebar with a search bar and navigation options: Dashboard (highlighted with an orange box), Content, Calendar, Gradebook, Course Tools, and Messages. On the right is the main content area for the course 'Conexiones, Version 1.0 (Review)'. The 'Assignments' section is visible, with a 'View Calendar' link and a 'Hide submitted' toggle. Below this, there are two sections: 'Past Due (46)' and 'Future Assignments (20)'. An orange arrow points from the 'Dashboard' menu item to the 'Assignments' section. Another orange arrow points from the 'Course Tools' menu item to the 'Future Assignments' section. A specific assignment is shown: 'Jul 9 8:00 AM Capítulo 1-Segunda parte: ¡Así es la vida!' with a 'Done' checkbox.

In this section, you have the option to:

- View your entire course Calendar* with all your assignments by clicking on **View Calendar** (*Refer to the Calendar & Finding Assignments tutorial for more details regarding the course Calendar).

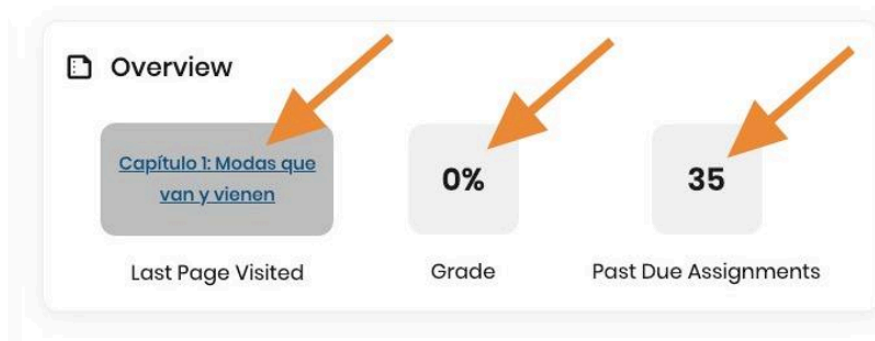

- Hide any already submitted assignments so you can only view the assignments you need to complete (click **Hide submitted** toggle).
- Manually check "**Done**" for any assignment you have already completed.

OVERVIEW

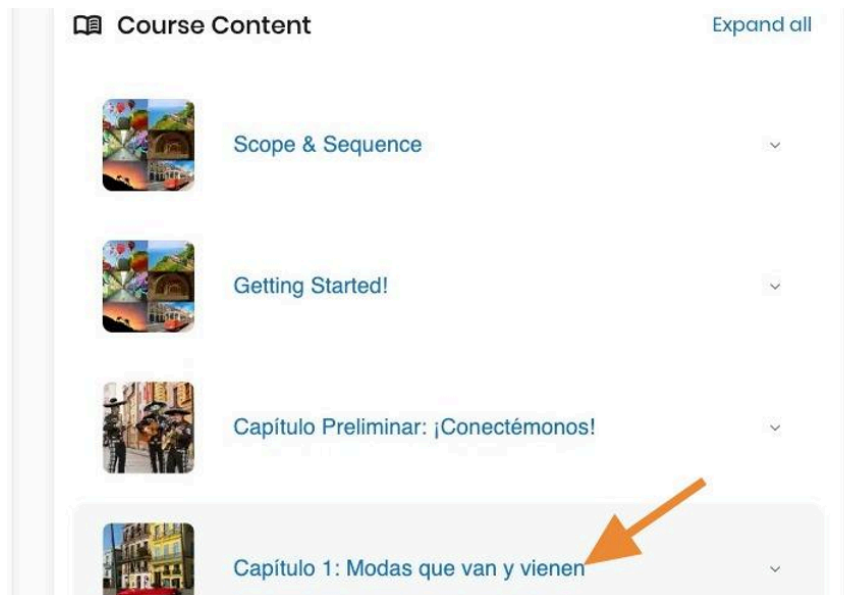

In **Overview**, you have three important items.

1. The first is a link to the **Last Page Visited** so that you can easily pick up from where you left off the last time you were in LingroHub.
2. You can view your overall **Grade** (as a percentage) in your LingroHub course. (**NOTE:** This grade only includes grades included in the LingroHub Gradebook and may not reflect your actual grade in the course.)
3. The number of **Past Due Assignments** you currently have in the course.

COURSE CONTENT

In **Course Content**, you have quick links to all chapters/units included in your course. Simply click on the **chapter/unit** you wish to view.

Then, all chapter/unit content* will appear. Click on the **section** you wish to view.

***NOTE:** You can also access course content anytime by clicking on **Content** in the left navigation menu.
